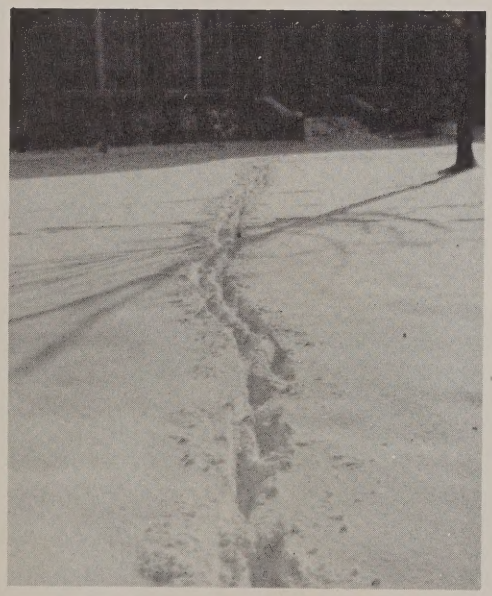
Natural Bridge: As Individuals

A story is usually one book, one plot, one set of circumstances leading to one turning point and one inevitable ending.

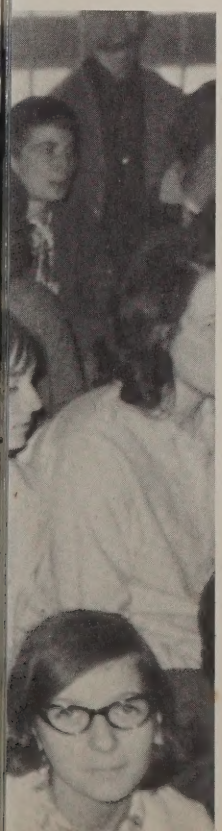
Our story is different: It is the story of many people. Each person's story is different.

There are many different words behind the name of "NATURAL BRIDGE HIGH SCHOOL". Here in one short year many minds meet the challenge of tomorrow.

For a moment whether by using the landmark of study and discipline, we may find our own way from the world of NATURAL BRIDGE.



Snow shining in the morning sun shows that someone has taken a new direction beyond the shoveled walls.



Our story in pictures catches some of the creativity by the teachers and the concentration by students.

Whether it be classroom or corridor the hard work of study goes on.

Hard work is often necessary to prepare one for the language in a given field of knowledge.

Approach of mid-term examinations is evidenced by crowded library.

The students are offered the opportunity to excel in one of the major sports. Football, is first on the list of sports offered at N.B.H.S.

The cheerleaders are one of the most active organizations of N.B. H.S.

Intramural sports are provided for the students of Natural Bridge.

Basketball is never at a stand still to the boys of Natural Bridge.

The activity day of a student of N.B.H.S. seems to never cease. Whether because of extended study or activities, which make up the program at Natural Bridge many are involved in work after the final bell.

These impressions typify the moods, the work, the inspiration, enthusiasm and intensity which are part of the story at Natural Bridge.

With the opportunities that Natural Bridge High offers, the Senior Class is ready to face the challenges of tomorrow.

The final bell has rung but its off to cheerleading practice for Judy, Cindy, and Anne.

Annual Staff is hard at work on Span.

The hall; conference place for special news, discussions on everything under the sun.

Homecoming '66
Natural Bridge 'vs' North Cross

The Natural Bridge Rockets broke a 26-game losing streak when they defeated the Raiders of North Cross, 19-0, in their annual Homecoming game.

Mike Ogden, Mose Anthony and Jerry Barger did the scoring for the Rockets.

This was the first VICTORY for the Rockets since they defeated Lee High of Staunton in 1963. Jerry Barger was the only member of the team who could say that he was on the team when it won a game.

From the words stated by Coach Aldridge, "They cried—the cheerleaders cried—and even some of the fans cried."

ADMINISTRATION

The administration is the most necessary department at Natural Bridge High School. Our principal, Mr. Trumbo, helps the students in their high school life. Mrs. Mathews, the guidance counselor, helps the students decide their futures. She is below advising Donna Fix as to her decision of which college would be best. Every student comes in touch with this important department all through the five years of high school.

ENGLISH DEPARTMENT

Mrs. Hepler, who is head of the English department is seen below working on one of her lesson plans for one of her classes. Her instruction in English will help many of the college-bound students do their best when they get in college. This can also be said about the rest of the English teachers. We are fortunate to have teachers that will help their students in courses that are as important as English.

HISTORY DEPARTMENT

Government, one of the courses that seniors have, is taught by Mr. Aldridge. The History department is important to the students because it is the only way they can learn about their heritage. The teachers who instruct the students in this subject have an important role in the student's lives.
